DEPARTMENT OF SCIENCE & HUMANITIES

cordially invite you to the

Silver Jubilee Year (2001-2026)

INDUCTION PROGRAMME

of

FIRST YEAR B.E & B.TECH STUDENTS

On Monday, the 31st August 2026 at 10.00 a.m.

Sivaramakrishnan Memorial Auditorium

(K.S. Narayanasamy Knowledge Block)

Presided by

Dr. K. Rajendran, M.S., FICS., FAIS.,

Chairman,

Krishnasamy Higher Educational Institutions, Cuddalore.

has kindly consented to be the chief guest and to deliver the inaugural address.

Felicitated by

Mr. N. Vijayakumar, B.A., B.L.,

Trustee / Secretary

Sri Krishnasamy Reddiar Educational Trust, Cuddalore.

COORDINATORS

Mrs. S. Preetha

Dr. E. Ramesh

Dr. B. Sivaraman

Prof. Dr. G. Elango

Principal

1. Induction Program - Opening Ceremony for First Year (31.08.2026)

Our Reception Team is ready to warmly welcome and graciously receive our esteemed guests.

Our Esteemed Guests are coming.

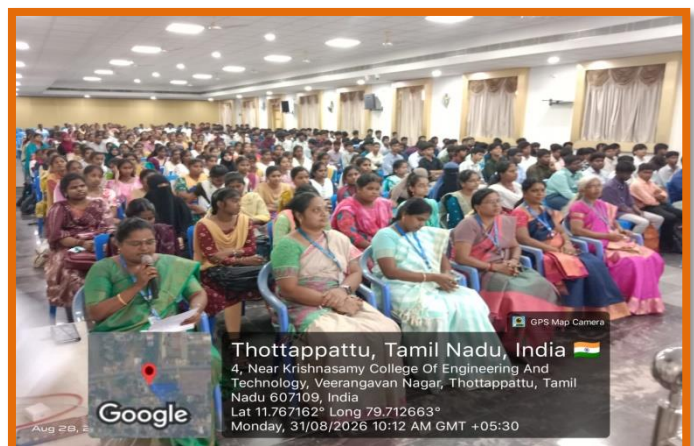

The lighting of the Kuthuvilakku is a cherished and auspicious tradition that marks the beginning of an important occasion. The radiant flame symbolizes the triumph of light over darkness, knowledge over ignorance, and positivity over negativity.

In the context of education, the lamp holds a special significance, as it represents the light of knowledge, wisdom, learning, and enlightenment. Its gentle and steady flame reminds us to remain calm, focused, disciplined, and determined in our pursuit of excellence.

Honouring the guest and authority is a gift by the god almighty.

Induction Programme is a formal programme to welcome and introduce newcomers to their new institution.

Welcome address and special pledge were done by **Dr. B. Sivaraman**, Prof. of Maths – HOD of S&H.

Students had been taking pledge and repeated the principal phrases.

Prof. **Dr. K. Raghu**, Vice - Principal felicitated the gathering and reminded that **discipline, dedication, perseverance, and a positive attitude**. Respect your teachers, value your parents, support your friends, and maintain the dignity and values of our institution.

Esteemed Thiru. **N. Vijayakumar**, Secretary made a presidential address that today marks the beginning of a new and exciting chapter in your lives. You have entered an institution where education goes beyond textbooks and examinations. Our aim is to nurture your knowledge, skills, creativity, confidence, discipline, and character, preparing you to face the challenges of the professional world.

Prof. **Dr. G. Elango**, Principal delivered a key note address and encourage the students to make the best use of every opportunity provided by the institution. Develop a spirit of curiosity, ask questions, learn continuously, and actively participate in academic, co-curricular, sports, cultural, and technical activities.

Dr. E. Ramesh, AP – English & Program Coordinator delivered the vote of thanks.

2. Student's Interaction Session (31.08.2026)

The interaction was highly engaging and informative. We encouraged the students to ask questions and express their thoughts.

We also shared insights about engineering education, career opportunities, and the importance of developing communication, problem-solving, and critical-thinking skills.

1. Career Guidance (01.09.2026)

Mr. P. M. Aravind, Office Superintendent (Group-B), Income Tax Department, Cuddalore. has rich experience on **Career Guidance** and possesses valuable knowledge about government services, competitive examinations, career opportunities, and the skills required to build a successful professional career. For engineering students, understanding the diverse career pathways available after graduation is extremely important. Government services provide excellent opportunities for young graduates who aspire to serve the nation while building a stable and rewarding career.

2. From Campus to Corporate (01.09.2026)

We are delighted to have with us **Er. P. Kiruthika**, our proud alumna, who is currently working as a Senior .NET Developer at MSC Technology India, Ambattur, Chennai. As an alumna of our institution, she is a wonderful example of how the knowledge, skills, and experiences gained during college life can be transformed into a successful corporate career. Today's session is particularly meaningful for our students because our resource person has travelled the very path that our students are preparing to take—from the **campus to the corporate world**. Her professional journey will provide valuable insights into the expectations of the IT industry, essential technical and soft skills.

3. Martial Arts (01.09.2026)

Prof. Dr. B. Sivaraman, HOD- S&H and Dr. J. Iyyappan, AP-Tamil are jointly honoured Maha Guru N. Velmurugan, Training Teacher, Raja Martial Arts Development Vel Kambu Training, Punching Row, Weapon Training, Silambam Training and the guest with memorandum.

His training helps participants develop **strength, stamina, flexibility, coordination, reflexes, mental alertness, and self-defence skills**. Through regular practice, students learn the importance of **discipline, perseverance, respect, teamwork, and responsible use of martial arts**.

1. Human Values & Future Tech (02.09.2026)

Mr. P. Ramalingam, Managing Director of Dharshan Zwislang, Cuddalore, is an accomplished professional with valuable experience and insights into the evolving world of technology and business. His session on **“Human Values & Future Tech”** highlights the importance of balancing technological advancement with essential human values. In an era of Artificial Intelligence, automation, and rapid digital transformation, technology can create remarkable opportunities, but **ethics, empathy, integrity, responsibility, and social consciousness** must remain at the heart of innovation.

2. Soft Skill Motivation (02.09.2026)

Mrs. Divya Pandiyarajan, an accomplished Entrepreneur and Communicative English Trainer, is passionate about empowering students with the essential skills required to succeed in both their personal and professional lives. Her session on **“Soft Skill Motivation”** focuses on developing key competencies such as effective communication, confidence, interpersonal skills, positive thinking, leadership, teamwork, time management, and problem-solving abilities. Her valuable guidance helps students understand that technical knowledge alone is not sufficient for career success; strong soft skills and the right mind-set are equally important.

3. Connection Games (02.09.2026)

Connection Games are interactive and enjoyable activities designed to help students **break the ice, build friendships, and develop a sense of belonging** in a new academic environment.

4. Life Skills and Yoga (02.09.2026)

Dr. M. Srinivasan, an experienced Yoga Trainer, is dedicated to promoting physical well-being, mental peace, and a balanced lifestyle through the practice of yoga. His session on “**Life Skills and Yoga**” highlights the importance of integrating yoga into our daily lives to develop **self-discipline, concentration, emotional balance, stress management, positive thinking, and inner confidence**. Through simple and practical yoga practices, students are encouraged to improve their **physical fitness, flexibility, breathing, mindfulness, and mental focus**.

Visit to CAS in Marine Biology (03.09.2026)

Arrival of our students to CAS in Marine Biology Annamalai University, Parangipettai.

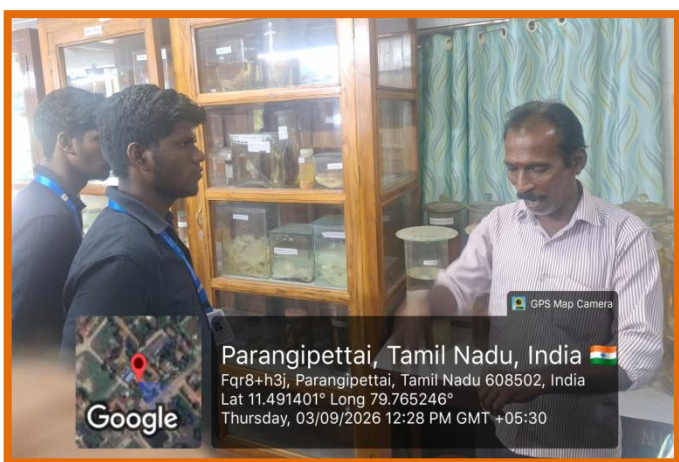

A wonderful and memorable photograph captured in front of the majestic entrance of Annamalai University.

We had a fruitful interaction with Prof. **Dr. T. Ramanathan**, Director, and **Dr. V. Ravi**, Associate Professor, Department of Marine Biology, Annamalai University, Parangipettai. During the interaction, we discussed various aspects of academics, marine biology, and the emerging role of engineering systems and technologies in addressing future challenges and enhancing developments in the field. The

discussion provided valuable insights into interdisciplinary collaboration and the integration of science, marine biology, and engineering for future advancements.

The staff from university enlightened vividly almost the importance of museum in contemporary life.

It's a Blue Whale Vertebra

The above picture is an original Shark Teeth which had been kept in the museum for the 30 years.

For this visit, we took **323 students along with 10 faculty members in 4 college buses**. We believe that this visit would be useful to think over the preservation in the way of perseverance

1. Inauguration Function for First Year Students (07.09.2026)

Group photos for boys and girls were taken for the remembrance as an individual group.

Merits of the Visit to CAS in Marine Biology

- ▶ Provided students with **first-hand exposure to marine biology and aquatic ecosystems.**
- ▶ Enhanced students' understanding of **marine organisms, biodiversity, and ecological interactions.**
- ▶ Helped students connect **classroom concepts with practical and real-world applications.**
- ▶ Familiarized students with **marine research facilities, laboratories, and scientific equipment.**
- ▶ Created awareness about **marine conservation, environmental sustainability, and protection of marine resources.**
- ▶ Encouraged students to explore **research opportunities and higher studies in marine sciences.**
- ▶ Developed students' **scientific curiosity, observation skills, and analytical thinking.**
- ▶ Enabled interaction with **experts and researchers**, providing valuable academic and career insights.
- ▶ Promoted awareness of the importance of **ocean health and its impact on human life and the environment.**
- ▶ Motivated students to consider **interdisciplinary career opportunities related to biology, biotechnology, environmental science, and marine research.**

Our Reception Team is delighted to extend a warm and cordial welcome to our esteemed guests.

Arrival of the Chief Guests accompanied by our Chairman and the Principal.

Lighting of the Kuthuvilakku – A symbolic beginning of the auspicious occasion.

Prof. Dr. K. Raghu, Vice-Principal welcomed and praised the spectators.

Our esteemed **Chairman** honoured the chief guest with shawl and bouquet.

Mr. G. Balakrishnan, Associate Professor – MCA and Administrative Officer, introduced the various portfolio heads to the newly admitted students.

Prof. Dr. G. Elango, Principal felicitated the gathering.

Thiru. N. Vijayakumar, Secretary commented and greeted the congregation.

The Chairman, **Dr. K. Rajendran**, delivered an inspiring and thought-provoking address to the newly admitted students. He warmly welcomed the freshers to the institution and emphasized the importance of discipline, academic excellence, skill development, and strong ethical values. He encouraged the students to make effective use of the opportunities and resources available on campus, develop confidence and leadership qualities, and remain committed to their goals.

2. Cultural Events for First Year Students (07.09.2026)

The Chief Guest **Dr. S. Gokul Raj**, Associate Professor of Physics delivered a guest speaker note to the freshers, highlighting the importance of discipline, effective communication, technical competence, and continuous learning. The students were encouraged to make the most of their college life by developing their skills, embracing new opportunities, and nurturing a positive attitude towards their academic and professional journey. The address motivated the students to set clear goals and strive for excellence in their chosen fields.

Freshers and their parents as spectators.

Dr. B. Sivaraman, Prof. & Head, S&H proposed a vote of thanks.

The cultural programme added colour and vibrancy to the Induction Programme. The freshers enthusiastically showcased their talents through a variety of performances, including music, dance, and other cultural activities.

AGENDA

- **INVOCATION**
- **WELCOME ADDRESS**
- **LIGHTING THE KUTHUVILAKKU**
- **FELICITATION**
- **PRESIDENTIAL ADDRESS**
- **VOTE OF THANKS**
