CHIEF PATRONS OF KCET

Dr. K. Rajendran, Chairman.

Mr. N. Vijayakumar, Secretary.

Dr. G. Elango, Principal.

Dr. K. Raghu, Vice-Principal.

Mr. G. Balakrishnan, Administrative Officer.

VISION STATEMENT

- To gain international recognition as a world class Technical Institution through discipline and devotion in performing our duties.

MISSION STATEMENT

- To provide high quality Technical Education so as to meet international bench marks.
- To impart practical skills along with sound theoretical knowledge with the participation of industry.
- To work for the development of society in general and the rural masses in particular, in collaboration with other Institution and Agencies.

Department of Science and Humanities

Educational Excursion on May 10th 2023:

Our students were at Ooty local van towards Doddabetta.

The above flowers were caught from Botanical Garden in Ooty on 11.05.2023

The people were enjoyed the sceneries and also worshiped the Lord Murugan.

The people were enjoyed the sceneries and also worshiped the Lord Subramaniya Swamy at Maruthamalai in Coimbatore.

We visited first world's biggest Lord Shiva Half Statue at Isha Yoga Center at Vellingiri Hills in Coimbatore.

We departed by 9:00pm evening on 10.05.2023 along with 120 students out of 242 at which 58 girls and 62 boys were accompanied by our 06 faculty members from our college to Ooty Hills via Salem. And also, we arrived safely at 5: 30 am inside the campus on 13.05.2023. Besides, the program was coordinated by Dr.E.Ramesh, Asst. Professor of English

Parents – Teachers Meet :

Principal addressed at the parents in the eve of parents teacher meeting for EEE on 17.02.2023.

Principal addressed at the parents in the eve of parents teacher meeting for Mechanical & Civil on 18.02.2023.

Vice - Principal addressed at the parents in the eve of parents teacher meeting for CSE and ECE on 23.02.2023.

Department Activities:

- **1 year Inaugural Function** was held on 14.11.2022 headed by Dr Rajendran, Chairman and N.Vijayakumar, Secretary, Krishnasamy Group of Educational Institutions.
- **Induction Programme Phase – I Easy English & Life Skills**, was conducted from 15.11.2022 to 22.11.2022, through offline mode.
- Mr. Sivakumar, the Trainer, addressed the students on **Being Human: Attitude, Skills, Knowledge**, on 15.11.2022.
- Prof. Dr. G. Elango, Principal, Krishnasamy College of Engineering and Technology, spoke about **the Importance of Engineering in the Modern Era**, on 15.11.2022.
- Mr. M. John Francis Rebellow, Director/ CCO / C32 Pex Financial Technologies Pvt Ltd, Bangalore, addressed the students titled **Personality Development** on 16.11.22.
- Prof. Dr. K. Raghu, Vice-Principal, Krishnasamy College of Engineering and Technology, addressed the students on **Value Added Education** on 16.11.22.

- Mr. P. Ramalingam, Managing Director, Dharshan Zwislang, addressed the students on 17.11.2022 in the title ***Break your Shell Enhance why you have come to college.***
- Mr. G. Balakrishnan, Administrative Officer, addressed the students titled ***Campus to Corporate***, on 17.11.22.
- Mrs. Nishanthi Kabilan, MD / Faras Academy, Pondicherry, addressed the students titled Attitude Re-Engineering on 18.11.22.
- Dr. P. Mahadevan, Assistant Professor of English, Krishnasamy College of Education, Manapet, Puducherry, addressed the students on 21.11.2022 in the title ***Effective Listening for Better Learning.***

- Dr. S. Sam Israel, Assistant Professor of English, addressed the students on 22.11.2022 in the title ***Personal / Social Responsibility.***
- Er. P. Dinesh Kumar, AP & HOD, Civil Engineering, addressed the students on 18.11.22 in the title ***Importance of Civil Engineering in the Growth of the Indian Economy.***
- Er. C. Reikha, ASP & HOD, Computer Science and Engineering, addressed the students on 18.11.22 in the title ***Importance of Computer Application in Engineering.***
- Dr. S. Sivasakthi, Professor & HOD, Electrical and Electronic Engineering, addressed the students on 18.11.22 in the title ***Power of Electrical Engineering.***
- Er. S. Senthazhai, ASP & HOD, Electronics and Communication Engineering, addressed the students on 18.11.22 in the title ***Application of Electronics in Engineering.***
- Dr. S. Karthikeyan, Professor of Mechanical Engineering, addressed the students on 18.11.22 in the title ***Recent Trends in Mechanical Engineering.***
- Dr. E. Ramesh, Assistant Professor of English, coordinated an ***Excursion to Ooty*** from 11.05.23 to 12.06.2023.
- The Department library was upgraded and a library audit was conducted.
- Python Programming laboratory was upgraded with computer systems with recent configurations in 2023.
- Mrs. M. Umalakshmi, AP, Mathematics, Mr. P. Chandra Sekar, AP, Physics, and Mrs. M. Elakkya, AP, Mathematics, have registered Ph. D programme in the academic year 2023.

- Dr. E. Ramesh, Assistant Professor of English, delivered a special lecture on ***Human Values*** to the first year students on 22.11.2022
- Mrs. D. Sudharani, Assistant Professor of English, addressed the students on 21.11.2022 in the title ***Personality Development.***

- Coordinated to update department files as per ISO & NAAC standards.
- Improved/maintained **pass percentage** of the Science & Humanities Department in Anna University examinations with the help of our department staff members.
- Dr. S. Sam Israel, Assistant Professor of English, presented a paper titled *Learning English in the Context of Post – Globalisation* on 10th March 2023.
- Dr. S. Sam Israel, Assistant Professor of English, presented a paper titled *A Gender Study: Confluence of Modernity and Tradition in That Long Silence* in One Day National Seminar on Post-Independence Indian English Literature – Themes and Trends ,in A.D.M College for Women, Nagapattinam on 21.04.23.
- Dr. E. Ramesh, Assistant Professor of English, participated in One Day National Seminar on Post-Independence Indian English Literature – Themes and Trends, in A.D.M College for Women, Nagapattinam on 21.04.23.

Department Activities of Civil Engineering

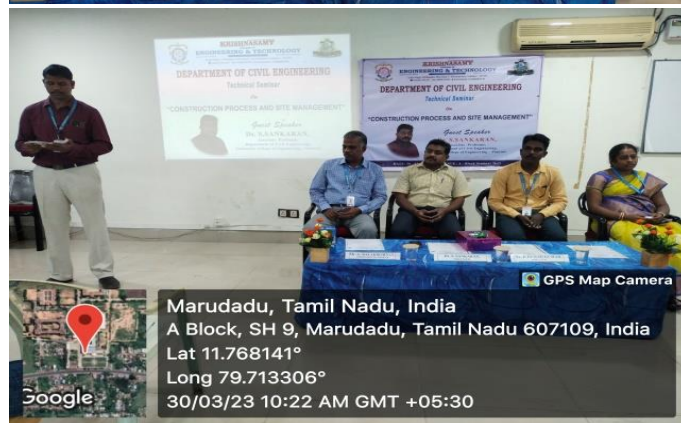

Technical Seminar:

- Department of Civil Engineering conducted a Technical Seminar on *"Construction Process and Site Management"* on 30th March 2023 at 10.00 a.m.

- Dr. S. Sankaran, associate Professor, Department of Civil Engineering, University College

of Engineering, Panruti, was the Resource person of the Seminar. Nearly 46 students and 7 faculty members were participated and benefitted.

- Er.A.Rajeswari, AP/ Civil was the coordinator of this technical Seminar.

Faculty Activities:

- Our faculty member Mr.P.Dinesh Kumar, AP/Civil (HoD) has attended one day program regarding "Naan Mudhalvan Scheme" on "Building Information Modeling" at Thiagarajar Engineering College Madurai on 22.09.2022
- Our faculty member Mrs.Pon.Sivamathi AP/Civil has attended one day program regarding "Naan Mudhalvan Scheme" on "Design and Construction of Buildings" at Thiagarajar Engineering College Madurai on 22.09.2022
- Our faculty member Mr.C.SureshKumar AP/Civil attended one day workshop on "அறிவியல் மற்றும் பொறியியல் தொழில் நுட்பங்களை தமிழ் எழுதுதல்" at University college of Engineering – Kancheepuram campus on 19.09.2022

- One of the faculty member Mr. C. Suresh Kumar AP/Civil and his team of four students (T. MadhuSudhanan, K. Krishnakumar, B. Kabilan, A. Shyam) has conducted a survey regarding road accident on particular zone around Panruti, Nellikuppam, Kadampuliyur, Naduveerapattu. The team has given the remedial measures for controlling the road accident and submitted the report to respective Police Stations on 01.08.2022.
- For that accident area, survey work students along with faculty got appreciation certificate and cash award of Rs 3200/- per head from superintendent of police, Cuddalore.

- Our faculty member Mr. C. Suresh Kumar AP/Civil has attended one day program regarding “NaanMudhalvan Scheme” on Transportation Infrastructures –Airport, Metros & Seaport” at Thiyagarajar Engineering College Madurai on 22.09.2022
- Our faculty member Mr. C. Suresh Kumar AP/Civil, has attended one week Faculty Development Program regarding “Naan Mudhalvan –Sustainable building Design” at Vellore Institute of Technology, Vellore. From 13.02.2023 to 17.02.2023.
- Our faculty member Mrs. A. Rajeswari, AP/Civil has attended one day program “POSH awareness program” conducted by prevention of sexual harassment cell, Anna University on 19.10.2022
- Our faculty Mrs. A. Rajeswari AP/Civil Participated in the Cyber Crime One Day Conference “23” on 10.03.2023 at Cuddalore.
- Our faculty member Mr. V. Thirumurugan, AP/Civil has attended one day program regarding “Naan Mudhalvan Scheme” on “High rise Buildings” at Thiyagarajar Engineering College Madurai on 22.09.2022
- Our faculty member Mr. V. Thirumurugan, AP/Civil has attended one week Faculty Development Program regarding “Naan Mudhalvan –Digital Marketing” at Vellore Institute of Technology, Vellore from 13.02.2023 to 17.02.2023.

Department of Electrical and Electronics Engineering

Faculty and Students Activities:

- Dr.S.Sivasakthi has published a patent entitled on **"Artificial intelligence based simulation of three phase multilevel inverter with fewer switch"**, March 2023.
- Dr.S.Sivasakthi, Dr.D.Periyaazhagar and Er.D.Geetha attended **Online Faculty Development Program** on **"Outcome based Education"** at PPG Institute of Technology, in Coimbatore from 01.02.2023 to 09.02.2023.
- Dr.S.Sivasakthi, Dr.D.Periyaazhagar, Er.N.Purushothaman, Er.D.Geetha and Er.R.Vivetha attended **Online Faculty Development Program** on **"Electric Vehicle Drive System "** at Jerusalem College of Engineering, Chennai from 27.02.2023 to 04.03.2023.
- Dr.P.Nammalvar has published a paper entitled **"An Improved BAS MPPT Algorithm in DC-DC Converter for Grid Connected SPVS with PQ Enhancement"**, in the International Journal of Sadhana, March 2023.
- Dr.P.Nammalvar has published a paper on **"Performance evaluation of improved ANOVA-tuned MPPT controlled DC-DC boost converter for SPV system"**, in International Journal of Electronics, Vol. 110 (7), pp. 1249-1266, May 2023.
- Dr.D.Periyaazhagar attended **Online Faculty Development Program** on **"Collaborative Research Practices in Modern Era"** at AMET University, Chennai from 13.02.2023 to 21.02.2023.
- Dr.D.Periyaazhagar attended (ATAL) **Academy Online FDP** on **"Decision Modelling in Transportation and Logistics Industry"** at NIT Calicut from 27/02/2023 to 03/03/2023.

- Dr.D.Periyaazhagar published a paper entitled **"A performance assessment of nine-stage ternary DC source MLI through various PWM topologies"** in the International Journal of Electronics, March 2023.
- **Nine UG and two PG project works** were published in **International Journals** with their guide support.
- Third-year students named R.Kiruthigu Raja, T.Gokulakrishnan, S.Bharanidharan and R.Sudharshan attended **Workshop on Build your 3D Printer** at Madras Institute of Technology, Chennai on 15-4-2023.
- H.Mohammed Ashik final year has attended **Implant Training** at Capper Hills (TANGEDCO), Cuddalore from 15-5-2023 to 19-5-2023.

Technical Seminar:

- The technical seminar on **"Photovoltaic System – Basics and Design"** was organized by the Department of Electrical and Electronics Engineering on 28.02.2023.
- The function was presided by the Chairman Dr. K.Rajendran. The chief guest of the function Dr.P.Maheshkumar, Managing Director, Elpronet Innovations Private Limited, Trichy has consented to deliver the keynote address.

- He emphasized that engineering students should have the good technical knowledge and should develop their communication skills which helps them to establish their inner potential. He also added that this technical seminar will help the students to

validate their inner skills in PV systems. Finally, he concluded with a message “Don’t be one among the ten, be first in ten”

- In this event, Prof. Dr.G.Elango, Principal, Prof. Dr. K. Raghu, Vice Principal, Prof.Dr.S.Sivasakthi, Head of the Department, all the faculty members and the student members of the department attended the function. This Technical Seminar was coordinated by Er.R.Rajasekaran.

KCET Power House Visit:

- The faculty Coordinators Dr.P.Nammalvar, Dr.D.Periyazhgar and Er.D.Vivedha organised the visit. The purpose of the visit is to provide students and faculties with an opportunity to gain practical knowledge and insight into the operations of power transformers, AC generators and power panels.

Power Yard:

- On 16.03.2023 (Thursday) by 2 pm our II year EEE Department (2021-25 Batch) 44 students along with 3 faculties visited the power house of our college which is present inside our college campus, beside the B block. Our students entered to power house with safety protocols.
- First, they visited the EB power yard and the technical persons explains the functions and its working. EB Power Yard refers to a facility owned and operated by the Electricity Board (EB) that is responsible for the distribution and management of electrical power.

Power Transformer:

- Next, power transformers are used to convert the high voltage electricity generated by power plants to a lower voltage suitable for use in homes, businesses, and other like college purposes.
- Here our students visited the operation of the step-down transformer of 22kV/415V, 250 kVA. Based on the explanation given by our technical persons, they came to know the operation of the conservator, explosions vent, coolant oil and breather.

Power House Control Panel and its operation:

- Here our students gained knowledge about various other equipment and devices such as distribution panels, power switches, circuit breakers, and protective relays that help to regulate and manage the flow of electrical power.
- The technical person demonstrated the operation Earth fault relay during our visit. Also, they have explained about the capacitor bank which is used to improve power factor.

AC Generator Set:

- Then the students along with faculty visited the two generators which are available in our college where one is 250KVA and another one is 325KVA (Both are KIRLOSKER make-Noiseless Type). The outcome of the power house visit can enhance the knowledge and understanding capacity of students.

Industrial Visit

- The industrial visit coordinator Dr.P.Nammalvar and the faculty coordinators Mr.R.Srinivasan and Ms.R.Vivetha organised the industrial visit. On 28.04.2023 Friday, 25 students along with 2 faculties visited the Padmavahini Transformer Pvt Ltd, Saravanampatti, Coimbatore.
- The purpose of the visit is to provide students and faculties with an opportunity to gain practical knowledge in the area of Dry-type transformers, Power transformers, Converter Duty transformers and Distribution transformers. Padmavahini Transformers is a leading Power Transformers Manufacturer and Exporters Company in Coimbatore, India. Padmavahini provides various types of custom-built transformer solutions from its product range to cater to different applications.

- From the above industrial visit, the students are known well practically, about their curriculum-related subjects. And they got good experience & practical exposure to all types of transformers. We hope it may help their future career opportunities.

Department of Electronics and Communication Engineering

Department Activities:

- Department of Electronics and Communication Engineering conducted an Alumni Reach Out Program - "Scope and Opportunities for Communication Engineers" on 20.03.2023, the Monday at 9.30am. Er.V.Baranidharan, Assistant Professor - ECE, Bannari Amman Institute of Technology, Sathiyamangalam was the chief guest of the program.

Educational Excursion

- Department of Electronics and Communication Engineering organised for a two days Educational Excursion on 06.05.23 and 07.05.23, at Axis Global Automation, Coimbatore.
- Nearly 40 (boys and girls) Third year students along with 2 faculty members took part. 1 Tourist bus was arranged for this Excursion.

- Department of Electronics and Communication Engineering conducted one day National Level Technical Symposium on 04.05.2023 at Sivaramakrishnan Memorial Auditorium. Er.G.Sadiq Basha, Associate Professor - ECE, VRS College of Engineering & Technology, Arasur, Villupuram was the Resource person for the National Level Technical Symposium. Nearly 150 of our students and 25 students from various colleges were participated.
- Paper presentation was held at various venues inside the college campus.
- Mr.Sivasakthi, Professor and Head of the Department / EEE acted as the Jury of the paper presentation.

Student Activities:

- FOR THE SECOND TIME ONE OF OUR FINAL YEAR PROJECT ENTITLED "IOT BASED CHILD SAFETY GADGETS FOR CHILD SAFETY MONITORING AND NOTIFICATION SYSTEM" GOT SELECTED AND SANCTIONED RS.7500/- IN TAMIL NADU STATE COUNCIL FOR SCIENCE AND TECHNOLOGY (TNSCST).
- Akash K, Kirubanidhi R, Praveen S, Viknesh M of UG final year published their project titled "*IoT based agriculture field monitoring and controlling system*" in International Journal of ReasearchPublication and Reviews (IJRPR) VOLUME 4.
- Indira Devi M, Rangeela P, Sangeethapriya K, Vidhya S of UG final year published their project titled "*Facial recognition based attendance monitoring using Raspberry-Pi*" in International Journal of advanced research in computer and communication engineering(IJARCCE) VOUME 12.
- Rajkumar V, Srinivasan K, Sriram V, Ramakrishnan R of UG final year published their project titled "*ATM secure transaction with face and eye recognition using deep learning*" in International Journal of International Journal of Reasearch Publication and Reviews (IJRPR) VOLUME 4.
- Charmathi J, Gayathri K, Kamalavarthini G, Thilaga K S of UG final year published their project titled "*Iot based child safety gadgets for child safety monitoring and notification system*" in International Journal of International Journal of ReasearchPublication and Reviews (IJRPR) VOLUME 4.
- Akshaya S, Ramani K, Sowndharya J, Umamaheswari A of UG final year published their project titled "*Diagnosis of complete blood sample analysis using image processing*" in International Journal of International journal of innovative research in electrical, electronics, instrumentation and control engineering (JIREEICE)VOLUME 11.
- Jayasri S, Jeevitha B, Sarvini Devi M, Printha M of UG final year published their project titled "*A smart ventilator using Arduino for respiratory disorders*" in International Journal of International Journal of advanced research in computer and communication engineering(IJARCCE) VOUME 12.
- Balaji B, Hariharan S, Mohamed Fardeen Mk, Yogeshwaran G of UG final year published their project titled "*Smart waste management for meteroplitian citties using IoT*" in International Journal of International Journal of advanced research in computer and communication engineering (IJARCCE) VOUME 12.
- Jaya Sewak V, Jayasurya J, Santhoshkumar K, Vijayavalavan V of UG final year published their project titled "*Low cost ECG measuring pattent using smart phones*" in International Journal of International Journal of Reasearch Publication and Reviews (IJRPR) VOLUME 4.
- Karthik Raja S, Mohamed Jikiriya R, Sathish S, Ranjith Kumar R of UG final year published their project titled "*Intelligent Vehicle Accident Prevention system using IOT and Cloud Computing*" in International Journal of International Journal of Reasearch Publication and Reviews (IJRPR) VOLUME 4.
- Girija T, Kamali K, Kanimozhi A, Reshma M of UG final year published their project titled "*Doctor assistive system using augumented reality enhance for medical operation*" in International Journal of International Journal of International Research Journal of Modernization in Engineering Technology and Science (IRJMETS) VOLUME 5.
- Students of Second, Third and Final year have participated, K.Saranarayanan & P.Muthukrishnan from third year students won Second Prize in "Intra Department Paper Presentation" conducted by the department of Mechanical Engineering on 27.04.2023. Department wise winner Shield was received by A.Gunaseelan and M.Kamal from second year for the same event.

- K.Saranarayanan & P.Muthukrishnan of third year students participated in the event "*CONNECTION*" and won I prize in One Day National Level Technical Symposium Elcomeet 2022-23 at VRS college of Engineering & Technology, Arasur on 25th March 2023.
- N.Asha Priya of third year student participated in the event "*CONNECTION*" and won II prize in One Day National Level Technical Symposium Elcomeet 2022-23 at VRS college of Engineering & Technology, Arasur on 25th March 2023.
- N.Asha Priya of third year student participated in the event "*PAPER PRESENTATION*" and won I prize in One Day National Level Technical Symposium Elcomeet 2022-23 at VRS college of Engineering & Technology, Arasur on 25th March 2023.
- N.Anbarasi and M.Saranya of third year students participated in the event "*PAPER PRESENTATION*" and won I prize in National Conference "*IPR for Innovative Research Methodologies*" at Theivanai ammal College for Women, Villupuram.
- S.Nivetha of third year student participated in the event "*PAPER PRESENTATION*" and won I prize in National Conference "*IPR for Innovative Research Methodologies*" at Theivanai ammal College for Women, Villupuram.
- S.Nivetha, R.Swetha, M.Saranya and N.Anbarasi of third year students participated in workshop conducted as a part of ELECTROFOCUS'23 at Madras Institute of Technology, Anna University.
- Er. V.Sudha, Assistant Professor/ ECE acted as Co ordinator for an Alumini Reach Out Program - "Scope and Opportunities for Communication Engineers" on 20.03.2023.
- Er. V.Kokila, Assistant Professor/ ECE attended a Faculty Development Programme (**Naan Mudhalvan**) on "*Internet of Things*" on 29.09.2022 to 30.09.2022 at Saranathan Engineering College - Trichy.
- Er. V.Kokila, Assistant Professor/ ECE attended two days Seminar on "*Awareness on Skin Cancer and Protection*" on 01.03.23 & 02.03.23 at V.R.S College of Engineering & Technology - Arasur.
- Er. M. Devanathan, Assistant Professor/ ECE attended a Faculty Development Programme (**Naan Mudhalvan**) on "*M.S.Office*" on 6.10.2022 to 07.10.2022 at Saranathan Engineering College - Trichy.
- Er. M. Devanathan, Assistant Professor/ ECE attended a Faculty Development Programme on "*Network Engineering*" from 27.02.2023 to 03.03.2023 at VIT - Vellore.
- Er. M. Devanathan, Assistant Professor/ ECE Acted as Coordinator for the One Day National Level Technical Symposium EBULLIENTZ - 2K23 on 04.05.2023.
- Er.V.Bala Anand, Assistant Professor/ ECE attended a Faculty Development Programme (**Naan Mudhalvan**) on "*Cyber Security*" on 28.09.2022 at Mahendra City - Infosys, Chennai.
- Er.V.Uvaranjani, Assistant Professor/ ECE attended two days Seminar on "*Awareness on Skin Cancer and Protection*" on 01.03.23 & 02.03.23 at V.R.S College of Engineering & Technology - Arasur.
- Er.S.Nirmala, Assistant Professor/ ECE attended workshop on "Cyber Crime" on 10.03.23 at St.Joseph Arts & Science College, Cuddalore.

Faculty Activities:

- Er. S. Senthzhai, Associate Professor & HoD i/c / ECE acted as Convener for the One Day National Level Technical Symposium EBULLIENTZ - 2K23 on 04.05.2023.
- Er. S.R.Karthiga, Assistant Professor/ ECE acted as Co ordinator for the One Day National Level Technical Symposium EBULLIENTZ - 2K23 on 04.05.2023.

Department of Computer Science & Engineering

Technical Seminar:

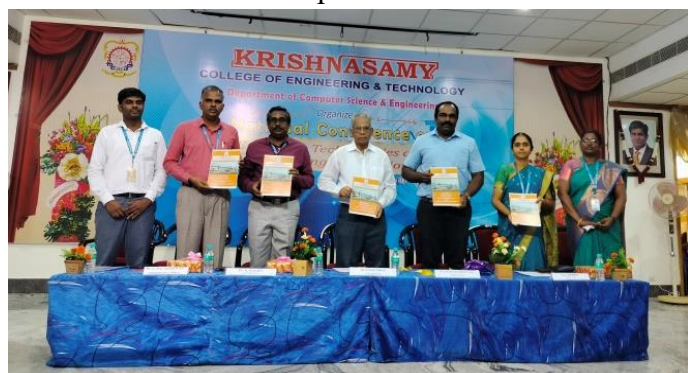

Conducted a **Technical Seminar** on “Scope of Adobe experience in IT sector” on 21st March 2023 at 09.30 am.

- Our IT department prestigious alumni during the year 2011 to 2014 **Er. Ganesh Krishnamoorthy**, Content Implementation & Quality analyst, Infosys Pvt. Ltd., Chennai was the Resource person of this technical seminar. Er. R. Sivaranjini, AP/ CSE were the coordinator of the program. Nearly 168 students from our department participated and benefitted.

Conference:

Conducted a **National Conference** on Emerging Technologies & Computing Applications – NCETCA 2023 on 3rd April 2023 at 09.30 am.

Dr. A. Ramachandran, Assistant Professor, University College of Engineering - Panruti was the Resource person of this technical conference. Also **Mrs. R. Vijayalakshmi**, HOD/MCA and **Dr. E .Ranjith**, AP/MCA acted as a chair person for conference presentation.

- **Dr. V. Rajkumar**, AP / CSE and **Er. R. Sivaranjini**, AP / CSE were the coordinators of the program. 85 papers were received and after review by technical committee, 52 papers were selected for presentation. Nearly 348 students from various institutions and from our department participated and benefitted.

Industrial Visit:

Undergone an **Industrial visit** at **UNIQU Technologies**, Coimbatore on 27th April 2023 at 10.00 am. 41 Students of pre-final year alongwith **Dr. S. Ramesh**, AP / CSE and **Mrs. K. Kalaivany**, AP / CSE participated.

Patent:

- **Patent Published** in Intellectual Property India entitled on " Artificial Intelligence based Smart Watch to diagnose Parkinson's disease using efficient Gait Analysis" by **Er. N. Thanigaivel**, AP / CSE with Patent No. : 202341000248A. (Application Status: Awaiting Request for Examination)

Programme Attended by Faculty:

- Er. P. Vijayasathy, AP / CSE attended One day conference on Cyber Crime 2023 organized by St. Joseph's college of Arts and Science, Cuddalore on 10.03.2023.
- Dr. S. Ramesh, AP/CSE applied funded proposal to Tamil Nadu State Council for Science and Technology, Chennai, a Project entitled on "*A chatbot mobile Quarentine for Stress relief*" and got *fund sanctioned*.

Programme Attended by Student:

- Naveen N and Sripriyadharshini K of III year participated in One day conference on Cyber Crime 2023 organized by St. Joseph's college of Arts and Science, Cuddalore on 10.03.2023.
- Aruldoss N, Muthukumar R K, Suresh P, Monika Mary E, Varnamuthy M, Keerthiga S, Sasikala M, Sindhuja K, Ashiba Begam M and Pavithra S of III year participated in ICSSR Sponsored one day National level seminar on "Awareness and Attitude towards Cryptocurrencies in India" organized by IFET College of Engineering, Villupuram on 10.03.2023.
- Thiagarajan A, Pugalenth S, Rathish J, Dhinesh Kumar S and Rabbani Mohyadeen M of III year participated in ICSSR Sponsored National Seminar on "Unity in Diversity" (NSUD-2023) organized by MRK Institute of Technology, Cuddalore on 10.03.2023.
- Bavadharani T, Priyadharshini P, Madhumitha R, Pavithra S, Santhiya B, Sivajothi A, Sivathavasi V, Ramkumar S, Harish B and Kuralarasan JR of III year participated in SERB Sponsored two days National level seminar on Machine Learning and IoT powered Smart Applications organized by IFET College of Engineering, Villupuram on 23.03.2023 & 24.03.2023.

- Balaji T, Barani S, Nithya K and Yuvaraj Krishnan D of III year participated in National Level Technical Symposium organized by MAM College of Engineering & Technology, Trichy on 31.03.2023.
- Pavithra K and Ragesh V of III year participated in International Conference on Computing Information Electronics & Electrical Engineering (ICCIEEE2023) organized by Idhaya Engineering College for Women, Kallakuruchi on 27.04.2023.
- Sangeetha S, Sivaranjani S and Swathi S of II year participated in National Level Technical Symposium (TECHATRON 2K23) organized by University College of Engineering, Villupuram on 27.04.2023.
- Naveenaasri A, Sabitha S, Kalaiselvi S, Thoushifa H, Swetha M, Sandhiya E, Nishanthini M and Rajashri AR of II year participated in Workshop on Cloud Computing organized by Anna University - College of Engineering Guindy, Chennai on 05.05.2023.
- Anbuselvan A, Sithikraj P, Bhuvaneswaran R, Vignesh D, Aravindh R, Selvakumar M, Subasri M, Sharumathi G, Priya N, Dhakshna Priya T, Kowsalya J and Ragapriya A of II year participated in Workshop on Data Analytics using Tableau organized by Anna University - College of Engineering Guindy, Chennai on 05.05.2023.

Department of Mechanical Engineering (Society of Mechanical Engineering) Activities:

Technical Seminar has been conducted on Top Emerging Trends in Composites which was led by Er. U. Naga Krishna.

Intra Department paper presentation:

Intra Department paper presentation on 27.04.2023, Around 50 students are participated, coordinated by Er.E.Gopal.

Industrial visit:

We organized One Day Industrial Visit to NLC, India for the final year students on 27.02.2023.

Staff Activities:

- We have received the TNSCST student project fund for the year 2023, worth of **Rs.7500**, The Project has completed successfully under the Guidance of Dr.S. Karthikeyan.
- Fabricated **“Quad Copter”** as a student project for Mechatronics lab, worth **Rs.6,000** (Actual expense spent by students Rs.6,000) with the guidance of department staff Er.E.Gopal.

- Fabricated **“GPS and GSM vehicle tracking system”** as student design and fabrication project for Mechatronics laboratory, worth of **Rs.6,000** (Actual expense spent by students Rs.6000) with the guidance of department staff Mr. L. Purushothaman.

Conference Presentation / Work Shop Participation / Journal Publications:

- Dr.S. Karthikeyan, Professor, published book chapter Entitled **“Use of Communication Technology for Combatting the Covid-19 Pandemic”** Published by CRC - Apple academic press - A Taylor & Francis Group on 2023.
- Mr.P.Prakash, Assistant Professor Published a paper on international journal of research publication and reviews Entitled as **“Heat recovery and storage from vapour compression refrigeration cycle”** on 17.05.2023, volume 4, Issue 5.
- Mr.G.Senthilvel, Assistant Professor, attended a FDP on **“Naan Mudhalvan - Industry 4.0”** - on Saranathan college of engineering and technology from 29.09.2022 to 30.09.2022.
