Dear Sir,

We are happy to hear that you are interested in conducting the "100 Shortcuts in Aptitude" Seminar at your campus. Based on the overwhelming requirements we received for the seminar, we have created a road map.

We would like to visit your campus on 10 March 2021 (Wednesday).

Kindly go through the attached road map and let us know if you are comfortable with the date.

Requirements for the seminar:

- Projector with HDMI cable
- Active Audio system in the seminar hall/Auditorium
- Transport expenses will be borne by us.
- Kindly arrange accommodation at campus. If arranged outside campus, please provide a local transport facility.
- Number of resource persons - 2. (Prabhu & Neeraja)

Kindly let us know your decision at the earliest so that we can make travel arrangements accordingly.

Looking forward to visiting your campus.

Proposal for Easy English and Life skills (online mode)

English is a universal language used as a common medium of communication in all walks of life. To cater to the needs of students who are making a transition from school education to college education, an orientation programme on spoken English combined with life skill is highly recommended. This in turn prepares the students to be receptive to the technical and general educational information which will be instilled by the teaching professionals. In addition to this, language skills will enable students to participate in the active learning process. By introducing life skills for the students, moral values can be given in terms of attitude and ethics. To address this issue, a proposal for Easy English and Life skills is devised.

Programme title : Easy English and Life skills
Duration : 10 days (10 sessions, 60 minutes per session) (11:am -12:pm)
Audience : Students aspiring for higher education

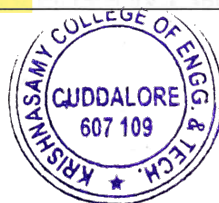

Objectives:

- To improve speaking skills through simple language formulae and situations.
- To help the learners to acquire language skills through activities and encourage speaking through pictures.
- To inculcate values for their personal and professional growth

Training module:

Students will be provided training in the core areas of Listening, Speaking, vocabulary and life skills through online mode.
