

## MEMORANDUM OF UNDERSTANDING

Between

**Krishnasamy Institute of Postgraduate Studies, Cuddalore**

And

**NextGen Solutions**

This Memorandum of Understanding (MOU) is made and entered into force on 13/09/2021 between Krishnasamy Institute of Postgraduate Studies, Anand Nagar, S. Kumarapuram, Cuddalore, an academic institution, managed by Sri Krishnasamy Reddiar Educational Trust, (Hereinafter referred to as "the Institute")

and

NextGen Solutions, having its registered office at No. 31, Lakshmi Complex, Second Floor, Employment Office Stop, Cuddalore-607 001 (Hereinafter referred to as "the Company").

### **Recitals / Institution profile**

Krishnasamy Institute of Postgraduate Studies (KIPS) was established in a modest way by Sri Krishnasamy Reddiar Educational Trust in 2002 with Dr. K. Rajendran as Chairman.

The Institute is approved by All Indian Council of Technical Education (AICTE), New Delhi and affiliated to Anna University. The Institute offers the Post Graduate course in M.C.A. with an annual intake of 60 students.

Recurrently, the Institute produces University rank holders upto this Academic year, 69 students from the Institute got University ranks. The institution is established with an objective of imparting higher education in Computer Applications to the rural population, so that they can emerge as competent Software Developers and Programmers.

The Institute is located at S. Kumarapuram, 6 kms from Cuddalore town in Cuddalore-Nellikuppam main road with an area of about 3 acres. The Institute has separate block for library known as "K S Narayanasamy Knowledge Center" which contains 52,986 volumes of books. In addition, we have well equipped air conditioned modern conference hall, seminar halls,

6. Seminars on recent developments, training programs with various scales involving appropriate department students and employees on selected areas.
7. To do research and development work and any other activities deemed fit.
8. Industrial visits and project works to be carried out for the students at company if the training projects and infra-structure facilities available there fits the requirement of the students of Krishnasamy Institute of Post Graduate Studies.
9. Exchange program enabling the staff members of the institute to work for short periods in **NextGen Solutions** and staff to serve as CONSULTANT for guidance in the development program at mutual interest.
10. Carrying out modifications of the MoU shall not be valid unless the same is made in written by both the parties or their authorized representatives and specifically stating the same to be an amendment of this MoU. The modification/ change shall be effective from the date on which they are made or executed unless or otherwise agreed to.
11. **Confidentiality:** Each party shall maintain complete confidentiality of any information of the other, disclosed during the term of this M.O.U.
12. **Termination:** Either party can cancel or terminate this agreement unilaterally (and without reason) by giving an advance written notice on one month to the other.

#### DURATION OF MOU

The duration of this MoU shall be for 5 years from the date of signing of the MoU. The MoU shall stand renewed automatically unless cancelled by either parties.

IN WITNESS OF THE UNDERSTANDING, duly authorized person have signed this memorandum of understanding

## **Report:**

**Date of Visit:** 08.03.2022

**Location:** Puducherry

**Duration:** 1 day

**Participants:** 51 students

The industrial visit to NextGen Solutions provided participants with an in-depth understanding of the company's operations, cutting-edge technologies and innovative approach to electronic devices. The interactive discussions on industry trends, challenges, and future directions to the students. They also discussed about latest technologies, software development lifestyle and tools used in the industries. The visit not only enhanced understanding of the industry but also inspired students to pursue excellence with valuable knowledge and innovation in their respective fields. They were witnessing live demonstrations of cutting-edge technology and innovative projects.
