

MEMORANDUM OF UNDERSTANDING

Between

Krishnasamy College of Engineering & Technology, Cuddalore

And

First Logic Automation, Adambakkam, Chennai

This Memorandum of Understanding (MOU) is made and entered into force on 06.06.17 between Krishnasamy College of Engineering & Technology, S. Kumarapuram, Cuddalore, an academic institution, managed by Sri Krishnasamy Reddiar Educational Trust, (Hereinafter referred to as "the Institute") and First Logic Automation, having its registered office at No.29/17, 2nd Floor, Adambakkam, Chennai-600 088 (Herein after referred to as "the Industry/ the Company")

Recitals / Institution profile:

Krishnasamy College of Engineering and Technology (KCET) was established in a modest way by Sri Krishnasamy Reddiar Educational Trust in 2001 with Dr.K.Rajendran as chairman.

The college is approved by All Indian Council of Technical Education (AICTE), New Delhi and it is affiliated to Anna University. The college offers 5 under graduate courses in B.E-CSE,ECE, EEE, CIVIL, MECHANICAL and 3 post graduate courses in M.E- CSE, EST and M.C.A with an annual intake of 396 students.

Recurrently, the college produces University rank holders. In this Academic year, 18 students from our college got University ranks. The College is established with an objective of imparting higher education in Engineering and Technology to the rural population, so that they can emerge as competent engineers and technologists.

The college is located at S. Kumarapuram, 6 kms from Cuddalore town in Cuddalore-Nellikuppam main road with an area of about 26 acres. The college has separate block for library known as "K S Narayanasamy Knowledge Center" which contains 60,000 volumes of books. In addition, we have well equipped air conditioned modern conference hall, seminar halls, auditorium, well equipped laboratories with state - of - the - art facilities with Campus wide intra and internetwork with 19 MBPS OFC connectivity.

The college is committed to provide students with quality education along with training for communication skill, and confidence, building which will transform the students into an efficient and successful professional.

Report:

Date of Visit: 16.12.2021

Location: Chennai

Duration: 1 day

Participants: 41 students

First Logic Automation, based in Chennai, is a leading provider of automation solutions catering to a diverse range of industries. The company specializes in delivering innovative automation technologies and services tailored to enhance operational efficiency and productivity. The company leverages advanced technologies and industry best practices to develop and implement automation solutions. Their team of skilled engineers and technicians are proficient in PLC programming, robotic programming, SCADA systems, and industrial networking. With a strong emphasis on customer satisfaction and technological expertise, the company is well-positioned for continued success and leadership in the Chennai automation market.
