Programme report for “Exploring Raspberry Pi: Applications and Innovations programme”

Krishnasamy College of Engineering and Technology (KCET) organized a technical seminar on “Raspberry pi technology” on January 10, 2021. The main of this seminar is to provide the information about the involution of raspberry pi technology with hardware industry to the students. The programme as started at 10.30.am by the chief guest Mr. Pradeep, ASP/ECE from Manakula Vinayagar Engineering College. Students are making the seminar section effectively by providing lot of involvement during the section. At a result of this seminar, A positive feedbacks are collected from students.
