Programme Report For Webinar on “Intellectual Property Rights and Innovation Ecosystem”

KCET R&D conducted a webinar on “Intellectual Property and Innovation Ecosystem” on 5.10.2018 and the program was presided by Dr. D. Jayanthi, SVCE., Sriperuputhur, She pointed the protection of intellectual property rights is a mechanism of economic appropriation that seeks to reward innovative efforts. The intellectual property ecosystem structure is particular to each country, generating different investment stimuli during the innovation life cycle. This webinar could be a valuable session for the researchers, scholars, Students and the Faculty Members.
