Programme Report for Webinar on “Ethical Consideration in Research Methodology”

KCET R&D conducted a webinar on “Ethical Consideration in Research Methodology” on 07.09.2018 and the program was headed by Dr. P. Vanaja Ranjan, Dept. of EEE., Anna University who was the speaker of the program and discussed about the ethical considerations in research are a set of principles that guide your research designs and practices. These principles include voluntary participation, informed consent, anonymity, confidentiality, potential for harm, and results communication. This webinar could be a valuable session for the researchers, scholars, Students and the Faculty Members.
