Programme Report for Webinar on “Research Funding and its Pathways for Researchers”

A webinar titled "RESEARCH FUNDING AND ITS PATHWAYS FOR RESEARCHERS" was organized by the R&D Cell on April 26, 2019, at 10:00 A.M. The event took place at the A Block Seminar Hall in the college campus. Dr. V. Vidhya, Professor from Sri Venkadeshwara college of Engineering and Technology, Sriperumpthur, delivered the keynote address, focusing on research funding opportunities and pathways for researchers. Dr. K. Rajendran, Chairman of Krishnasamy College of Engineering & Technology, presided over the programme. Mr. N. Vijayakumar, Secretary of Krishnasamy Group of Educational Institutions felicitated the event. During the session, Dr. Vidhya emphasized the importance of research funding and its various pathways for researchers, discussing strategies and opportunities available in the field.

Programme summary for Online seminar on “IPR and Entrepreneurship Development”

Research and Development cell of KCET conducted an online Seminar on "IPR and Entrepreneurship Development" on 12/2/2019 at 10.00 am in B-Block seminar hall through Google meet. Dr.N.Mangayarkarasi, Assistant Professor, UCEP Campus delivered the key note address based on the protection of their intellectual property becomes paramount. Intellectual property rights encompass a range of legal protections, including patents, trademarks, copyrights, and trade secrets, which safeguard the fruits of an entrepreneur's ingenuity and creativity. Students and faculty members participated and got benefitted.

Programme Report for Webinar on “Patent Searching and Prior Art”

A webinar titled "PATENT SEARCHING AND PRIOR ART" was organized by the R&D Cell on February 8, 2019, at 10:00 A.M. The event was hosted at the A-Block Seminar Hall in the college campus. Mrs. P. Prathibanandhi, Research Scholar from Anna University, Chennai, delivered the keynote address, emphasizing key aspects of patent searching and prior art. Dr. K. Rajendran, Chairman of Krishnasamy College of Engineering & Technology, presided over the programme, Mr. N. Vijayakumar, Secretary of Krishnasamy Group of Educational Institutions, felicitated the event. The webinar was highly beneficial and innovative, with the resource person highlighting numerous essential points about patent searching.

Programme Report for Webinar on “IP Strategy for Startups and Small Businesses”

A webinar titled “IP Strategy for Start-ups and Small Businesses” was organized by the R&D Cell on January 18, 2019. Dr. M. Vairavel from Kaliavani Publications and Research Center, Erode, delivered the keynote address. Dr. Vairavel’s presentation was highly useful and informative, providing valuable insights into the protection of intellectual property rights and their significance for economic appropriation. He emphasized that intellectual property rights are a mechanism to reward innovative efforts, and the structure of the intellectual property ecosystem varies by country, influencing different investment incentives throughout the innovation life cycle. This session proved to be particularly beneficial for researchers, scholars, students, and faculty members, equipping them with crucial knowledge to navigate the intellectual property landscape effectively.

Programme Report For Webinar on “Intellectual Property Rights and Innovation Ecosystem”

KCET R&D conducted a webinar on “Intellectual Property and Innovation Ecosystem” on 5.10.2018 and the program was presided by Dr. D. Jayanthi, SVCE., Sriperuputhur, She pointed the protection of intellectual property rights is a mechanism of economic appropriation that seeks to reward innovative efforts. The intellectual property ecosystem structure is particular to each country, generating different investment stimuli during the innovation life cycle. This webinar could be a valuable session for the researchers, scholars, Students and the Faculty Members.

Programme Report For Webinar on “Research Collaboration and Networking”

KCET R&D conducted a webinar on “Research Collaboration & Networking” on 21.09.2018 and the program was presided by Mr. C. Yaashwanth, Research Scholar, Anna University. He pointed the age of big science that collaboration is increasingly becoming a main characteristic of scientific activity. Scientific collaboration plays an important role in implementing major scientific breakthroughs, improving research efficiency, achieving knowledge innovation, and the sharing of scientific and technological resources. This webinar could be a valuable session for the researchers, scholars, Students and the Faculty Members.
