

Institutional Distinctiveness

KCET encompasses the proactive role that educational institutions play in contributing to the betterment of society beyond their core educational mission. It involves initiatives and practices that go beyond mere compliance with regulations, aiming instead to create a positive impact on the community and environment while nurturing ethical values and social consciousness among its stakeholders. This shows our distinctiveness.

Community Engagement:

Our institution integrates community service into our core mission alongside educational excellence. Through diverse programs and activities beyond the classroom, we emphasize real-world applications that foster responsible citizenship, ethical values, and societal contribution among students.

Mass Cleaning Camp conducted in nearby villages of KCET on 17.12.2022

Empowering School Students through Careers Guidance

Our institution conducts "Career Planning and Scholarships" guidance programs in regional schools to inspire students toward careers in engineering and related fields. We also organize scholarship examinations to encourage higher education among economically disadvantaged and rural students.

Go Green - From Seeds to Sustainability

Our institution emphasizes environmental stewardship through sustainability initiatives. Former President Dr. APJ Abdul Kalam planted the 100,000th sapling on our campus, recognizing our green efforts. Our NSS unit regularly conducts tree plantation programs to raise awareness, engage the community, and leave a positive ecological legacy. These initiatives reflect our dedication to sustainability, preserving natural resources, and promoting a greener planet.

Community Health Initiatives

Our institution demonstrates social responsibility through regular blood donation drives and medical camps organized by NSS and YRC. Recognized for effective management, these initiatives promote health awareness and provide vital healthcare services. Engaging students and staff instills ethical responsibility and compassion, aligning with our mission of holistic education and social empowerment.

Navigating a Pandemic Crisis

During the COVID-19 pandemic, our institution served as a government-designated isolation ward, showcasing our infrastructure and crisis leadership. We provided essential healthcare support, demonstrating readiness to aid public health and minimize pandemic impact. Hosting vaccination camps in collaboration with local health centers aimed to ensure broad vaccination coverage and enhance community well-being.

Utilization of Information Technology (IT)

We leverage IT facilities strategically to host diverse academic assessments like UGC-NET, NTA-JEE, PG-NEET, JIPMER GATE, and TNPSC. This provides a conducive environment for competitive exams, enhancing readiness and confidence while familiarizing students with critical examination conditions essential for their career aspirations.

Implementing Public Sector Initiatives

We empower youth through venue provision for diverse activities, fostering leadership and civic responsibility. Hosting government programs like health camps and skill workshops strengthens ties with agencies and benefits communities. Our Centre for Innovations and Entrepreneurship has trained nearly 200 participants, facilitating entrepreneurship under schemes like NEEDS and ESDP, enhancing our community impact.

Holistic Development through Community Service

Our NSS unit fosters holistic student development through community service initiatives, organizing special camps in nearby villages. These activities include workshops, health camps, and awareness programs, earning appreciation certificates for their impact. They cultivate skills like organizational management, critical thinking, creativity, empathy, and leadership, benefiting both students and the local community.

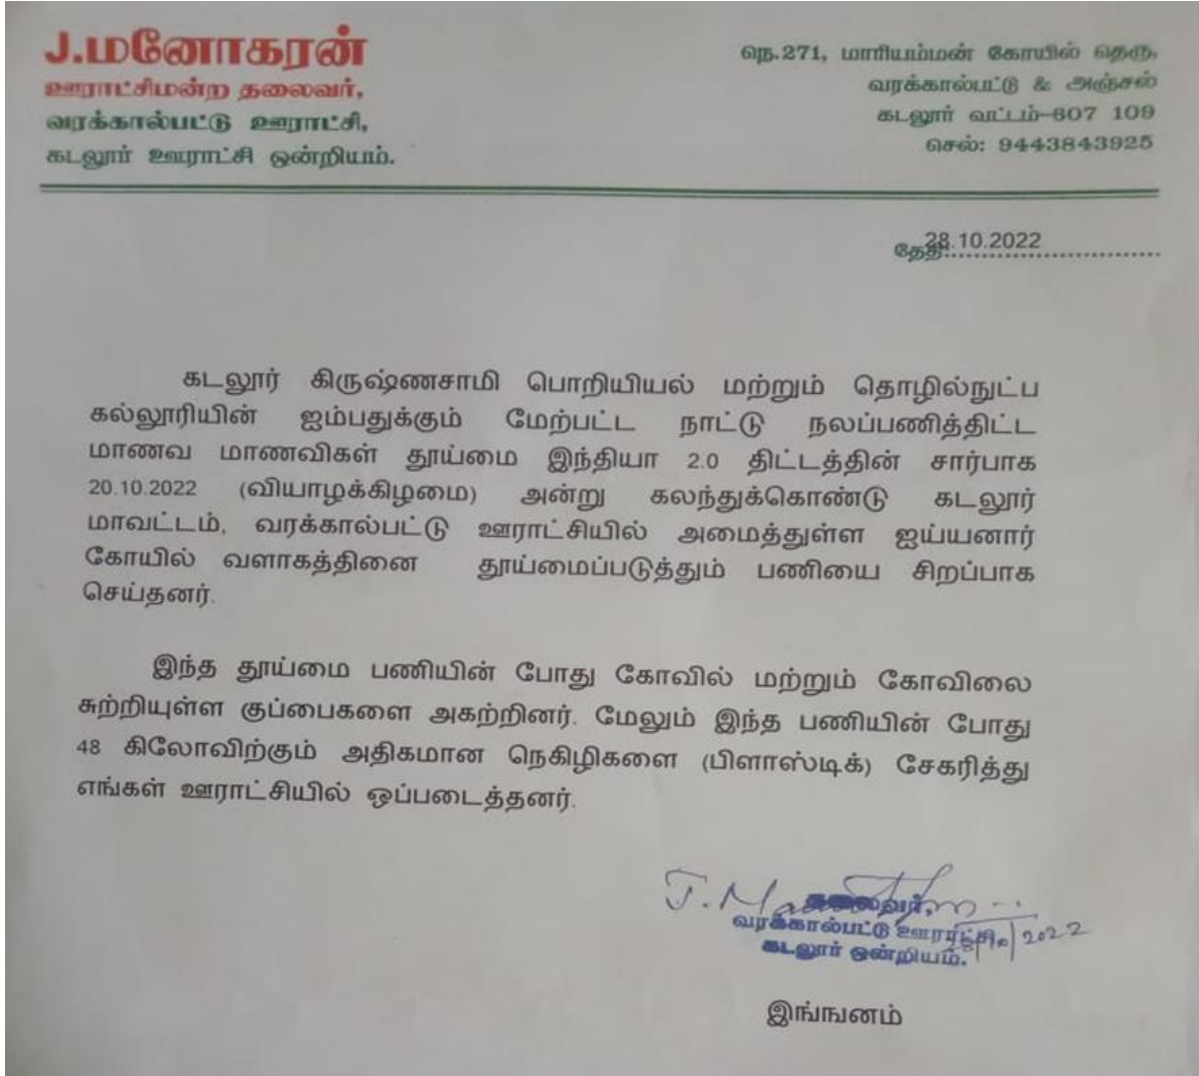

Rally on “Drugs Awareness” held on 20.10.2022 at KCET campus to Varakalpattu, Cuddalore

Fire safety Programme held on 21-02-2020 at Karamanikuppam Village, Cuddalore

Emphasizing Ethical Behaviour and Societal Contributions

Our institution's holistic ISR approach integrates educational excellence, community engagement, ethical governance, sustainability, diversity, and social responsibility. These initiatives prepare students as compassionate leaders, aligning institutional values with societal and environmental needs to inspire positive change. We uphold our commitment to excellence, integrity, and meaningful societal contributions through these efforts.

National Service Scheme Volunteers of Krishnasamy College of Engineering and Technology has participated in Swachh Bharat/Clean in India program at Cuddalore on 20.10.2022 (Thursday). They had cleaned the places in and around the Iyyanar temple in Varakalpatu panchayat. During this Cleaning process they collected and handed over almost 48 KG of plastics to the Panchayat for further process.

An appreciation to our NSS team by the President of the Varakalpatu panchayat for making a cleaning work in and around the temple on 20.10.2022

A Programme on Clean in India on 27.05.2020 at Marudadu, Cuddalore

Over the past five years, we have organized 66 programs, demonstrating our dedication to ethical behaviour, community well-being, and environmental stewardship. These initiatives highlight our commitment to making a positive impact both locally and globally, reinforcing our reputation for excellence, integrity, and meaningful contributions to society.
