- It has been suggested to give additional exercises along with the existing experiments in practical courses if time permits.
- **Career opportunity**
 - Faculty members were asked to utilize atleast 5 minutes apart from class delivery to give information other than the subject which is useful for their career opportunity.
 - Also students may deliver the current trends and technologies utilizing this 5 minutes in class hours.
- **Resolutions in R2017 Curriculum**

It was suggested that members gather the department-wide particulars of R2017 subjects, which is a challenging task, so that the resolution might be sent to the University for future Regulation.
- **PO- CO attainment**

One of the most important academic tasks is evaluating COs, POs, and PSOs in order to gauge a student's capacity for learning. Programme outcome assessment is an ongoing procedure that aids in evaluation, teaching, and learning. Based on data indicating whether or not students have achieved the course goals and outcomes, it serves as the primary method for assessing the efficacy of the learning environment.
