Dated: 12th January, 2024

To

The Vice Chancellors/Principals/Directors
AICTE Approved Universities/Deemed to be Universities/Institutes

Sub:- Laying of Foundation stone for 3 Semi-Conductor Facilities by Honourable Prime Minister of India, Sri Narendra Modi on 13.3.2024- reg.

Sir/Madam,

It is a great pleasure for AICTE to share that India with an aim to strengthen the semiconductor facilities, is going to open three semiconductor facilities in Dholera, Gujarat ; Sanand, Gujarat and Morigaon, Assam. **On 13th March 2024 Honorable Prime Minister of India, Sri Narendra Modi** will lay the foundation stone of the three Semi-Conductor facilities at 10.30 am to 11.30 am.

Therefore in this regard your esteemed Institutes/Universities are requested to organise a conference /seminar at 9.30 am on 13th March and will also ensure live streaming (YouTube Channel @NarendraModi) of Hon'ble PM address at 10.30 am and then continue with their programme. This seminar/conference should deliberate on India's Techade vision, India's Semi-Conductor Mission and how Viksit Bharat @2047 can be achieved through research and innovation etc.

India Semiconductor Mission has been setup by the Government of India to create an end-to-end semiconductor ecosystem to enable the nation to become a significant player in the global semiconductor industry. India's Techade signifies India's dedication to embracing the digital age to ensure sustainable development, create new job opportunities, enhance quality of life, and establish a strong presence in the global technology landscape. It is a national endeavour so it can be achieved with whole of society approach. Students and youths are key stakeholder of this endeavour, therefore, it is anticipated that your renowned Universities/ Institutes shall make necessary arrangement and ensure that all students, especially of STEM and technical disciplines participate in the programme on 13.3.2024.

This is for your kind information and necessary action please.

With regards.

12.3.24
